Mission Statement

Aishel Shabbat

100% Volunteer Since 2002

Aishel Shabbat was founded in November of 2002 due to the great need that existed and continues to exist, to help those Jewish families who are struggling to put food on their tables for Shabbat.

Every day we receive phone calls from families in need who are not making ends meet either due to the poor economy, unemployment, or handicaps which prevent them from supporting themselves and their families. Some families' circumstances are the result of divorce, and sadly, even domestic violence has touched our community.

Every Wednesday, Aishel Shabbat volunteers package the boxes that contain approximately \$130-\$200 worth of food depending on the size of the family. Each family receives: chicken, challot, grape juice, fruits, vegetables, milk, eggs, cake and some dry goods. We buy everything wholesale. Our actual cost is approximately \$50-\$80 per family per week. We are very fortunate to receive excellent donations of foods, grocery items, and canned good from several generous suppliers and other organizations. Our yearly budget would have been over \$2,000,000 but since we purchase everything wholesale and there are NO salaries paid our current yearly budget is about \$600,000. Of course, to our special families the value is priceless.

All of our packaging is done in our warehouse in Brooklyn, New York. The use of the warehouse is 100% sponsored. Everyone at Aishel Shabbat is a 100% volunteer. This includes the packers, the delivery people, the founders and the board members. This enables us to use 100% of all the donations we receive to purchase food for families in need. Thursday evenings our amazing volunteer drivers deliver these heavy and overflowing packages to their eagerly awaiting recipients.

We feel as though we are all partners in this great mitzvah. We invite you to become our partners as well. With help from Hashem and your generous donations, it will be possible for us to continue to support these special families and many more in a confidential manner that maintains their pride and dignity.

Please join us at our Gala Chinese Auction on March 29th at Kol Yaakov.

We look forward to seeing you there. Tizku L'Mitzvot.

Letter of Endorsement

From Rabbi Chaim Kanievsky, Z"TL

A HOLY CALL

To the dear contributors of the community, this letter is an attribution to the holy organization Aishel Shabbat which cares for the benefit of needy families each week. They insure that the families will not lack in their enjoyment of the Shabbat, by distributing to them bountiful food packages for all the Shabbat meals, and more. All this is done in a respectful manner, without any embarrassment on the part of the recipients.

The entire staff of this great organization is working voluntarily for the sake of Hashem without taking any compensation so that all donations given go solely to tzedaka.

As of late, more and more families have been added to the list of recipients. We are therefore asking of you to come forward and assist this worthy cause and donate to them as appropriate for an organization which feeds over 250 families weekly. It is well known from the words of Chazal that "A person does not lose out from the tzedaka which he gives," as well as "Shabbat is the source of all blessing," and "Hashem returns any expenses for the sake of Shabbat."

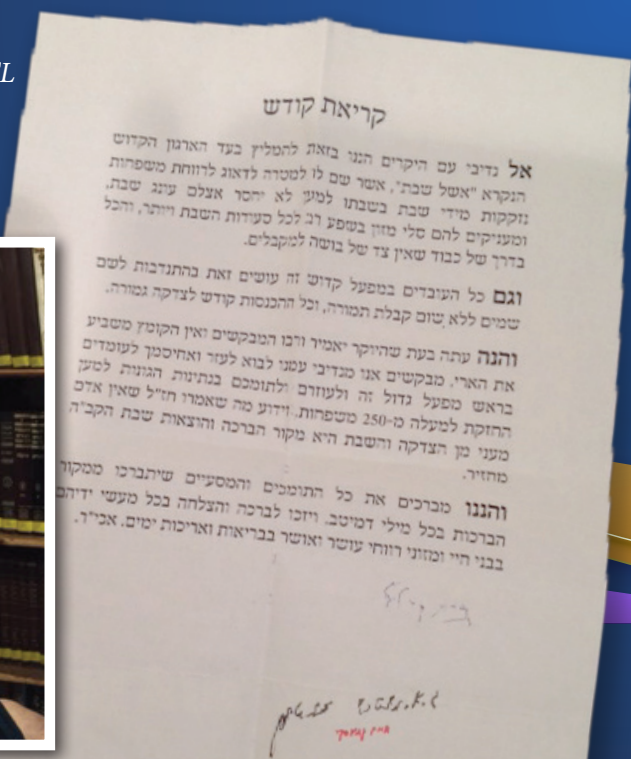

We are therefore blessing all the contributors and helpers of this organization from the source of all blessing. Their lives should be filled with all good and they should be blessed with wealth, health, happiness and long lives. Amen!

Letters

A Volunteer's Letter

Participating in Aishel Shabbat's efforts to help families in need has been one of the most fulfilling experiences of my life. The atmosphere of enthusiasm and dedication is heartwarming.

Aishel Shabbat takes impressive pains to ensure that the needs of those who rely on its high quality food packages are met in the most specific way. As we pack the food for transport, we are cautioned to always follow the detailed and clear instructions on each box. Whether it be an allergy, preference, the size of the family, or some other factor being taken into consideration, every delivery is personalized. This system shows utmost concern for those receiving the goods and minimizes waste.

I thank Aishel Shabbat for showing me community work at its best, and providing a first-rate opportunity for me to show my daughter how great a difference can be made when, in genuine ahava, motivated people ask, "What's the best way we can help?"

Aishel Shabbat is truly a jewel among organizations.

-S.K.-

A Recipient's Letter

If it wasn't for Aishel Shabbat I would have to choose between paying the electric bill or buying groceries for Shabbat. The people who donate their time and money really have no idea who we, the recipients are. Therefore I think of it as, "HESED Shel EMET." They are doing "Hachnasat Orchim" and I'm able to put a smile on my family's face and make a beautiful Shabbat! Tisku L'Mitzvot for all you do!

A Letter from a Birthday Girl!

Last year on my birthday, I thought that I would change it up a bit. I really love to do chesed, and my mother came up with the idea of making a "chesed party" and asking my friends to give donations to organizations instead of birthday gifts! All the gifts went to Aishel Shabbat. It was a huge mitzvah and made us all feel very good and fulfilled knowing that we were helping others. Last year was my best birthday party yet!

“Aishel Shabbat not only helps needy families in our community, but also teaches our families Hessed and compassion for others. We at Aishel Shabbat feel that by giving, we are the ones receiving.”

~A.S.
